## ODFHS Gift Aid

As a registered charity, the Ormskirk & District Family History Society has the option to be able to claim Gift Aid from all monies paid to the society by you, the membership.

This would, obviously, be of a considerable financial benefit to the society without costing eligible members anything extra at all.

Any society member who is a current UK Tax Payer is in a position to sign up for Gift Aid, enabling the ODFHS to claim back 25p in every pound that is paid to the society by that member.

As part of this year's Subscription Renewal Form, you will notice a section relating to Gift Aid, which is asking you, as a Member, to sign up so that the Society can make a claim to the Inland Revenue on your behalf. All monies claimed back as Gift Aid will go into Society Funds to be used for the benefit of the membership as a whole. Therefore, I am asking as many of you who are eligible, to sign the Declaration on the Renewal Form, overleaf. You will be informed at the 2015 AGM as to how much the Society has been able to claim back during our financial year 1<sup>st</sup> April 2014 to 31<sup>st</sup> March 2015.

With many thanks,

Sally Dean (Treasurer ODFHS)

## ODFHS Membership Rates

After it becoming apparent that all our classes and levels of membership were rather complex, we have been looking at rationalising them. As such, we have reduced them to the following:

All UK memberships, receiving a printed magazine, is £11. (This includes family membership in a single house).

All Overseas members, receiving a printed magazine, is £16.

All members receiving an online magazine is £10, UK and Overseas.

The Half-Year membership is abolished. Anyone joining the Society after the 1<sup>st</sup> January will have their membership classed for the following membership year (1<sup>st</sup> April to 31<sup>st</sup> March) so will essentially receive 3 months free.

We hope this makes it easier to understand,

Andrew Scarisbrick (Membership Secretary)
